Celebrating 160 years !

St Mary's will be celebrating our 160th anniversary later this year we are planning for an exhibition to explore our history.

This will be a chance to explore some interesting documents from our origins and from many of the special events that our Parishioners have shared over the years.

We have documents from our early days through to the 1990s but it would be wonderful if we could also draw on your own personal memories of our parish. So if you are thinking of something to do in lockdown , dig out those old photographs and videos and tell us about your memories of St Mary's.

We will be in touch again nearer the time to bring everything together but this is a perfect opportunity to find more precious memories of our community.
